The New Horn Rolla Storage (Model 906)

Another great idea from Horn;

- ▶ Compact and easily mobile on large lockable castors.
- ▶ 270° door hinges which allow the door to fold conveniently out of the way when its open.
- ▶ Robust removable storage trays, ideal to be taken to where you need to work.
- ▶ Available in 2 popular finishes:- Fresh Beech & warm Teak.
- ▶ Solid, sturdy & quality construction.
- ▶ Made to match in with, more specifically; the Gemini, the Cub + & the Hilo but will compliment any existing Horn Cabinet.
- ▶ Made to match the height of a Horn cabinet when its open, so creating an increased level working surface.
- ▶ Comes fully assembled; the cabinet is beautifully finished front & back, inside and out.
- ▶ Typical Horn quality.

The Rolla Storage - Pictured above sitting snugly along side our CUB plus cabinet but an ideal addition for any existing Horn sewing cabinet or even the HILO
