22 LE

The MyStyle 22LE is packed full of practical features. Inserting the bobbin in a magnetic top loading system is designed to be quick, simple and trouble free as is any change of the foot. Just lower the lifter, snap into place and remove by the touch of a button.

There's no trouble with tangled threads with an easy accessible thread-cutter. The MyStyle 22LE incorporates a push-pull clutch which will disengage the machine when winding the bobbin.

CONVERTIBLE FREE ARM for CIRCULAR SEWING

The detachable sewing table lifts out of the way easily to reveal the free arm, so handy for sleeves, cuffs and other circular work.

CONVENIENT ONE-HAND THREAD CUTTER

The thread cutter cuts and holds your threads after sewing thus avoiding tangled threads.

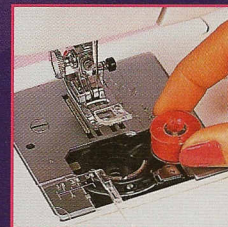

ONE STEP BUTTONHOLE
Just set a button in the appropriate place on the buttonhole foot, lower the lever and sew a perfect buttonhole in one step.

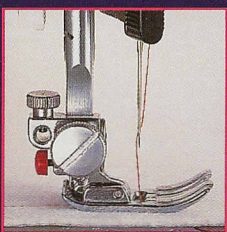

EXTENSION TABLE

The extension table widens the sewing area and has storage compartments for accessories.

MAGNETIC TYPE HORIZONTAL FULL ROTARY HOOK

Jam-proof, magnetic, top-loading full rotary hook system eliminates bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the see-through slide plate.

QUICK-FOOT CONVERSION

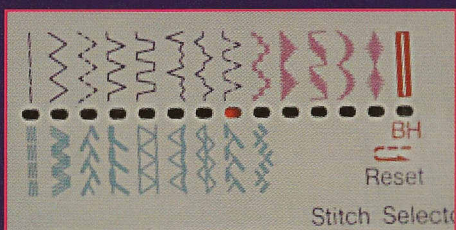

Just lower the lifter and the sewing foot will easily snap into place. Removal is just as easy, one quick touch of a button.
