## creative 4D software

More unique, versatile, and personalized  
than ever before!

# You are the creator!

Everyone with a passion for embroidery will love the new creative 4D software from Pfaff. There have never been so many creative possibilities, nor has embroidery software been so easy and convenient to use.

Design your own world. Turn your favorite pictures and photos into the newest embroidery creations. Document special occasions for your loved ones with embroidered monograms or personal text. Create enchanting cross stitch motifs. Embellish pictures with free-hand effects. Edit and combine design elements as the mood

strikes you. Developed by professionals – especially for embroiderers like you!

The creative 4D software is clearly organized and easy to understand. Everything you embroider is presented in 3D reality. Preview your designs realistically prior to stitching using your favorite threads, fabric, garment or quilt block. The final results will impress you with their perfection.

**Welcome to the world of unlimited possibilities - creative 4D software from Pfaff.**

# You are the 4th dimension!

The world of embroidery is three-dimensional... and you are the 4th dimension – your ideas and your creativity.

The creative 4D software can be personalized by you. Customize it for your embroidery machine, your embroidery hoops, your threads and more! Choose from the creative 4D Organizer to easily locate your designs and pictures to the ultimate creative 4D Suite which allows you full creative possibilities. Pfaff has the embroidery software package designed for you!

If you want the best of the best, the creative 4D Suite is your package. It contains the complete range of creative 4D software plus 5 exclusive modules. In addition it has 50 wonderful bonus embroideries from the creative collections; 350 embroideries in total. Also, over 55,000 clipart and 13,000 photos are included!

To learn more, go to [www.pfaff.com](http://www.pfaff.com) or visit your Pfaff dealer.

Smart Update always gives you the latest updates.

## The Pfaff creative embroidery system!

### Experience 3D Reality

- View designs in 3D on your choice of 7 textured fabric backgrounds.
- Designs are shown in your preferred hoop.
- Zoom function.
- Print designs in 3D.

### Select your favorite colors:

- Over 13,000 threads; 27 manufacturers.
- View specialty threads (including metallic, multi-color and varying thicknesses).
- Easy color changes with the numbered color blocks and scrolling realistic color palette.
- Choose thread-color palettes/themes.
- Reduce the number of thread changes before you stitch using ColorSort.

### Personalize your system with the 4D Configure wizard:

- Select from your own thread stash using MyThreads.
- Set your connection options using MyMachines.
- Choose from your own hoops with MyHoops, including most popular brands of machines.

QuickLink toolbar and visible clipboard for easy Copy and Paste.

Two Send options included: the quick and easy way to send one embroidery to your machine.

Unlimited Undo/Redo functions available in most modules.

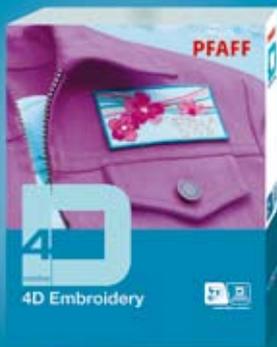

Help is always at hand! Printed User's Guides, Quick Reference Cards, Internet FAQs, Learning Center with interactive tutorials and more.

### The creative 4D software family is unbelievably versatile

Learn more and discover which software is best for you at [www.pfaff.com](http://www.pfaff.com) or at your local authorized Pfaff store. For the whole range of possibilities, choose the creative 4D Suite. It includes the entire range of creative 4D software, with all features, and five additional exclusive creative modules.

Multi-format; load and save most popular embroidery formats. File types saved: Brother/Babylock/Bernina PEC (.pec), Brother/Babylock/Bernina PES (.pes version 2 - 6), Compucon/Singer PSW (.xxx), Husqvarna Viking/Pfaff (.vp3, .vip), Husqvarna (.hus), Janome (.jef, .sew), Melco (.exp), Pfaff (.pcs), Tajima (.dst) and Toyota (.10\*).

## creative 4D Embroidery

### Adjust, personalize and combine your embroidery designs!

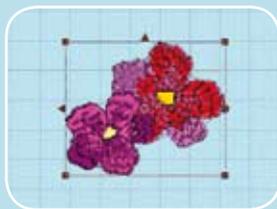

Load your favorite embroideries on screen. Add stylish monograms, and combine them to create new embroideries!

- Arrange your designs: rotate, mirror image, change colors and combine – anything is possible.
- Resize any area with stitch-density control.
- Use the Encore feature to automatically repeat and reflect your design along a line, around a circle or to border your hoop.
- Make any embroidery Endless.
- Use shapes and letters to personalize all your projects:
  - Choose from over 100 specially created fonts and 396 Shapes.
  - Alternatively, create lettering from most TrueType® and OpenType® fonts on your computer.
  - Change the appearance of lettering by using one of 21 envelope shapes.
  - Check Spelling as you type and edit lettering after creation.
  - Add to your designs using your favorite stitches from your machine and a number of unique motifs, including beautiful hand stitches.
- Center the design automatically in the hoop.

And a lot more...

Machine accessory module:  
4D File Assistant

Over 275  
embroideries  
included!

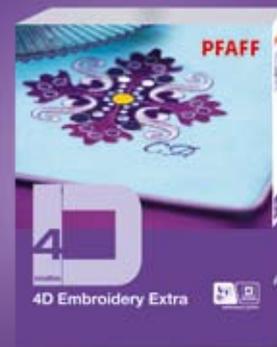

Remove overlap automatically when combining or saving designs! There will be no overlapping stitches causing stitch out problems.

Multiple lines in lettering with alignment and spacing (17 envelope shapes). Enhance your monogram with Encore: create a repeating border around your hoop.

Preview your fonts before selecting one. Choose from over 100 digitized fonts!

## creative 4D Embroidery Extra

### Create designs automatically for your personalized project!

All the amazing features of creative 4D embroidery, plus: Create beautiful designs from your favorite pictures automatically - with the ExpressDesign Wizard.

- ExpressEmbroidery – Create a traditional embroidery using areas of satin stitch and fill stitches.
- ExpressTrace – Trace outlines in a picture.
- ExpressBorder – Create borders of running stitch, motifs, satin stitch or appliqué around enclosed areas in a picture.

Edit sections of an embroidery as well as a whole design or monogram: Select a group of stitches, then move, add or delete them. Rotate, Mirror, Scale and Resize, too.

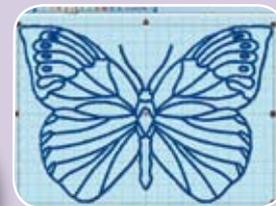

Includes creative 4D Organizer!  
Find your designs and pictures easily.

And a lot more...

Over 275  
embroideries  
and 325 clipart  
images  
included!

Create beautiful embroideries automatically with the Express Design Wizards.

Use the ExpressTrace option to trace outlines in a picture automatically.

#### Also includes 4D Vision!

View multiple embroideries on real garments, quilt blocks and fabrics!

- Over 600 Garments\* including dressmaking patterns, 600 Quilt Blocks\*\*, Fabric libraries\*\*\*.
- Print real-size templates for your project.

#### Includes creative 4D Organizer!

- Find your designs and pictures easily.
- Browse your embroideries and pictures in zip files, folders or via Search.

## creative 4D Design Enhancer

### Split, alter and rearrange designs!

Use the included creative 4D Stitch Editor to take your favorite details and elements from one or more existing embroideries and arrange them in a completely new way.

Select and cut out pieces of your favorite designs, and morph them to get a new look. Add beautiful patterns with the PatternMake™ feature.

Create frames in more than 50 different shapes. Combine different shapes and see them on Quilt blocks, in 4D Vision before you start to sew your project.

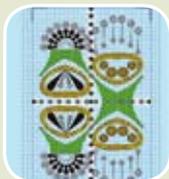

The amazing morphing effect has transformed the two hearts and single stamps have been added as highlights!

- Design Optimizer improves the stitch-out of most embroideries, both in speed and quality.
- Frame your embroidery with wonderful Border and Appliqué options: Choose from 50 shapes or draw your own shape to create a new embroidery with a satin stitch or appliqué border. Crop the embroidery inside or outside of the border or simply overlay the border.
- Transform your design with the fantastic point and global morphing effects.
- Use the exclusive PatternMake™ features to add beautiful patterns to your embroideries. Choose from over 200 stamps to make a single stamp, stamp along a line or fill an area.
- Resize designs with density control and adjustable options. The Density Adviser allows you to check and reduce the stitch density of any embroidery.
- Select specific stitches by block, color, polygon or freehand and then adjust them. Use the Stitch Player to play through an embroidery as if it were being stitched out.
- Add or delete stitches, color changes, stops or trim commands. Also choose from Nine Tie stitches to improve design stitch-out.

### Also includes creative 4D Design Aligner!

- Lay out large designs for your own hoop.
- Split large designs into multiple sections automatically.
- Add alignment stitches automatically for easy re-hooping.
- Adjust the overlap areas between hoops.
- Print templates to help you complete your project.

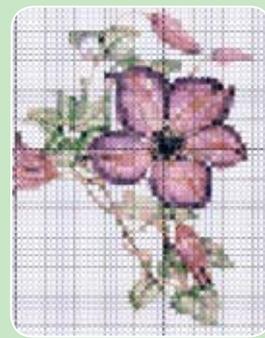

## creative 4D Cross Stitcher

### Design beautiful cross stitch embroideries!

Sensational! Unique cross stitch designs with the quality of hand-stitching and the speed of a machine. Incredibly easy and accurate.

- Create your own cross stitch embroideries. Use pictures as templates or let the Cross Stitch Design Wizard create a design for you automatically.
- Traditional and modern stitches. Choose from full crosses, half, quarter, mini- and half-height or half-width crosses, fixed or free backstitch and French knots.
- Designs come to life. Choose between block, 2D and 3D displays. Automatically reflect your design up to eight times with the amazing Multiply feature.
- Draw shapes with crosses or outlines and fill patterns. Over 150 special cross stitch and blackwork fill patterns are included.
- Elegant cross stitch lettering: Choose from 27 back stitch and cross stitch fonts, including Multi-color fonts, or create a monogram from most TrueType® or Open Type® fonts on your computer.

The Cross Stitch Design Wizard produces a design automatically from your favorite pictures and photos.

And a lot more...

Create traditional Assisi embroidery.

Design a personalized cross stitch gift with the wonderful Ellegencia font.

Repeat and reflect your cross stitch design.

Over **150**  
cross stitch  
embroideries  
and elements  
included!

# creative 4D Sketch

## Create your own free-motion embroidery designs!

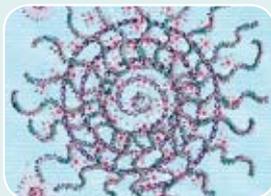

Like a free-motion embroidery artist, you can bring your treasured pictures to life by enhancing them with embroidered textures.

- Add stitches and embroidery highlights to your favorite photos, paintings or existing designs with the help of your mouse or the pen and Inspira drawing tablet included in certain packages.
- Choose from a variety of fabulous stitch types to add texture to your pictures (Single stitch, Free-Motion, Horizontal ZigZag, Calligraphy ZigZag, and many more).
- Print the picture directly on printable fabric then embroider your masterpiece with the touch of a button.
- Create quilt stippling stitches in Quilt Motion with perfectly regulated stitch length.
- Embroider your signature or use the Calligraphy feature to create beautiful monograms.
- Use the amazing Motif Motion feature to draw with your favorite machine stitches.
- Embellish existing embroideries with extra stitching.

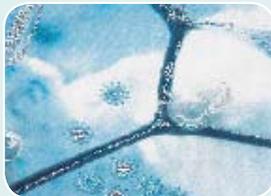

Revolutionary: Patents on many features!

Enhance the invitations for your special day with wonderful embroidered Calligraphy.

Use Motif Motion to draw with your machine stitches or delicate hand stitch motifs.

Sketch elegant stitches to highlight the beauty of a picture on printable fabric. Add special machine motifs such as these antique embroidery stitches.

**170 Picture Backgrounds and 52 Calligraphy Backgrounds included**

### Optional: Inspira 4D Drawing Kit!

Inspira drawing tablet and pen, 5000 clipart and 5000 photos to use with your 4D Sketch software.
